REPORT OF JOINT SURVEY COMMITTEE ON  
TAX EXEMPTIONS

Appendix to **Senate Bill 663**

Public Policy Involved

This bill is good public policy. However, the provisions of this bill which increase to \$17,000 the maximum dollar amount of household income a person can earn and still qualify for a homestead tax credit seems excessive.

REPORT OF JOINT SURVEY COMMITTEE ON  
DEBT MANAGEMENT

Appendix to **Senate Bill 663**

Public Policy Involved

The debt-related provisions of this proposal are desirable as a matter of public policy if the bill is amended to replace the \$26,000,000 reduction in borrowing authority by a provision that makes that borrowing authority available, as a last resort, if the revenues of the Transportation Fund are insufficient to permit the funding of all highway projects for which the bond revenues had been intended.

REPORT OF JOINT SURVEY COMMITTEE ON  
TAX EXEMPTIONS

Appendix to **Senate Bill 641**

Public Policy Involved

The bill is good public policy. However, it is suggested that SECTION 2 of this bill be amended to require time share condominium associations to provide notice of property tax assessments and amounts to its members. In addition, it is suggested that SECTION 3 of this bill be amended so as not to preclude time-shared titleholders from appealing the assessed value of their condominium unit before the board of review.
